

## **CURRICULUM VITAE: SANDY SKOTNICKI**

**A. DATE CURRICULM VITAE PREPARED: July 2017**

### **B. BIOGRAPHICAL INFORMATION**

#### **1. Degrees/Diplomas:**

- 1989            **University of Toronto, Department of Immunology and Microbiology  
Bachelor of Science with distinction**
- 1993            **University of Toronto, Faculty of Medicine,  
Medical School (1989- 1993)  
Doctor of Medicine- MD**
- 1994            **The Medical Council of Canada  
Licentiate of the Medical Council of Canada- LMCC**
- 1997            **National Board of Medical Examiners, USA  
Diplomat of the American Board of Dermatology**
- 1997            **The Royal College of Physicians and Surgeons of Canada  
Specialist Certificate, Certified in Dermatology, FRCPC**

#### **2. Postgraduate Training**

- 1993-1997      **University of Ottawa, Faculty of Medicine, Department of Dermatology  
Dermatology Residency Program**
- 1996-1997      **University of Ottawa, Faculty of Medicine, Department of  
Dermatology Residency Program- Chief Resident**

#### **3. Employment/Appointments**

##### **University Appointment**

- 2009            **Assistant Professor, University of Toronto, Faculty of Medicine  
Department of Dermatology**

##### **Hospital Appointments**

- 2002- present   **Staff Physician, Department of Occupational and Environmental Health,  
St. Michaels Hospital, Toronto, Ontario**
- 1999            **Staff Physician, Department of Dermatology  
Sunnybrook Hospital, Toronto, Canada**
- 1999            **Staff Physician, Department of Dermatology,**

## **CURRICULUM VITAE: SANDY SKOTNICKI**

**Woman's College Hospital, Toronto, Canada**

### **Professional Appointments**

- 2011            **Canadian Dermatology Examination Board- RCPS examiner**
- 2009            **Canadian Dermatology Association- Board Member 2009- 2012**
- 2007            **Expert Health Practitioner- WSIAT- Workers Safety and Insurance Appeals Tribunal**
- 2004            **Member- CREOD Centre for Research Expertise in Occupational Disease A collaborative program of the University of Toronto, St Michael's Hospital and the Workers Safety and Insurance Board Of Ontario.**
- 2002            **Physician- ODSP Occupational Disease Specialty Program. A WSIB funded program operating within the St. Michaels Occupational and Environmental Health Department**
- 2002            **Physician- The Gage Occupational and Environmental Health Unit. A collaborative effort of the Department of Public Health Sciences and Department of Occupational and Environmental Health at St. Michael's Hospital.**
- 2002            **Physician- Workers Safety and Insurance Board**

### **4. Honors**

**Alpha Omega Society Award-** For honor standing throughout medical School.  
University of Toronto, Faculty of Medicine, 1993.

**Medical Alumni Association Proficiency Scholarship-** For high academic standing,  
University of Toronto, Faculty of Medicine, 1993.

**Walter F. Watkins Scholarship-** for high academic standing in third year medicine  
University of Toronto, Faculty of Medicine, 1992.

**The Lillian Massey Treble Medal in Life Sciences-** awarded to highest academic achievement  
in specialist program, University of Victoria College, University of Toronto, 1989

**The Eda Snider Graduating Scholarship-** for high academic standing, University of Victoria  
College, University of Toronto, 1989

**The Alumni of Victoria College Award-** for high academic standing and contribution to  
University athletics, University of Victoria College, University of Toronto, 1989.

**University of Toronto Admission Scholarship,** University of Toronto, 1985

## **CURRICULUM VITAE: SANDY SKOTNICKI**

### **Professional Activities**

#### **Departmental**

Residents Committee- Department of Occupational and Environmental Health  
St. Michaels's Hospital, 2003-2005

#### **Professional**

CTV National News discussing Melanoma risk estimated from fast mole counts.  
October 19, 2015

CTV National News discussing Increase in Skin Cancer statistics in Canada  
May 28<sup>th</sup>, 2014

Monthly Contributor to Zoomer Radio 740 am Goldhawk rado show  
2013- 2105

July 2006-2010

Nominating Committee- American Contact Dermatitis Society  
March 2006-present

Selection Committee- American Contact Dermatitis Society  
March 2006-present

Canadian Dermatology Spokesperson for the companies Curel, Jergens and Biore  
2006-2013

MOLTH- Ministry of Long Term Health, Hand Hygiene Task Force  
2007

Journal Reviewer, Dermatitis -Journal of American Contact Dermatitis Society  
2008-present

## **CURRICULUM VITAE: SANDY SKOTNICKI**

### **Professional Organizations**

American Academy of Dermatology since 1994

Canadian Dermatology Association since 1997

American Contact Dermatitis Society since 1998

Toronto Dermatology Association since 1999

## **C. ACADEMIC HISTORY**

### **1. Research Endeavors**

#### **Contact Dermatitis to the allergen Methylisothiazolinone in the occupational cases from the ODSP clinic.**

- This important and emerging allergen has seen an increase in personal care products. To review the all cases at the ODSP clinic and determine any trend or increase of allergic contact dermatitis.

#### **Occupational Contact Dermatitis in Nurses at ODSP clinic**

- Looking at all the cases of nursed coming into the Occupational Disease Speciality clinic and their return to work experience. 2014- ongoing

#### **Occupational Contact Dermatitis and the use of Non-Standard Allergens for Patch Testing**

- Senior Responsible Author: Review of Occupational Disease Specialty Program referrals and the utility of expanded occupational patch test trays and non-standard custom allergen testing. (Co-principle author) 2008- 2015

#### **Occupational Disease Specialty Program- five years experience**

- Collaborator: To review the experience over five years with a multidisciplinary model of care for workers with suspect work-related skin disease. (Collaborators: Linn Holness, Joel Dekoven, Melanie Pratt) 2008-2013

#### **Return to Work Experience in the Occupational Disease Specialty Program**

- Collaborator: Study reviewing the return to work RTW resources in our multidisciplinary team model of care ( Collaborators: Lin Holness, Joel Dekoven, Irena Kudla) 2008-ongoing

#### **Heath services utilization prior to presentation for patch testing**

- Collaborator: Study to describe existing knowledge about health services utilization by workers with suspected Contact Dermatitis or Occupational Contact Dermatitis and to characterize health services utilization by individuals with possible Contact dermatitis before presentation for patch testing. (Collaborators: Linn Holness, Tiffany Kwok, Joel Dekoven) 2008

#### **Non-Standardized Patch Testing**

- Principle Author: Establishing protocols for non-standardized patch testing to occupational raw materials in both diluted and open forms. 2007-ongoing

## CURRICULUM VITAE: SANDY SKOTNICKI

### Repeat Mechanical Trauma to the hands: the use of Anti-Impaction Gel Gloves for Treatment and Prevention

- Principle Author: A study investigating the treatment and prevention of repeat mechanical trauma to the hand resulting in Frictional Hand Dermatitis, a form of Occupational Irritant Contact. 2004- 2012

### 2. Research Awards

#### Workplace Safety and Insurance Board, Contract Research

2004-2005, \$50,000.00

Collaborator: Critical literature review of treatment of dermatitis,

Principle Author: Joan Saary. Collaborators: Roohi Qureshi, Valerie Palda, Melanie Pratt, Joel Dekoven, Linn Holness.

#### Workplace Safety and Insurance Board, Research Grant

2004, \$10,000

For general research in the area of Occupational Contact Dermatitis

### 3. Patents awarded- none

## **CURRICULUM VITAE: SANDY SKOTNICKI**

### **F. TEACHING AND DESIGN**

#### **1. Undergraduate**

**Supervisor**, medical student Dianne Burrows. Presented talks and several papers ongoing 2012-ongoing

**Supervisor**- medical student Julia Velykoredko. Presented talks and published paper on Contact dermatitis mimickers. Elective in my office, 2013. Accepted into Dermatology program, University of Toronto 2013.

**Supervisor**, Bachelor of science student Barbara Marzario 2012-14. Presented talk and paper submitted for publication on Contact dermatitis to sporting equipment in youth

**Supervisor**, Medical Student Research Project- Tiffany Kwok. Co-author for published article: The Effects of Repeat Mechanical Trauma to the hands and the use of Anti-impaction gloves for Treatment and Prevention.

**Supervisor**, Medical Student – Tiffany Kwok. Helped student prepare presentation for Canadian Dermatology Annual meeting on The Effects of Repeat Mechanical Trauma to the hands and the use of Anti-Impaction gloves for treatment and Prevention. Vancouver, June, 2009.

**Supervisor, Medical Student**- Tiffany Kwok. Helped student prepare presentation for American Contact Dermatitis Annual Meeting Resident Forum, March, San Francisco 2009

**Supervisor, Dermatology Clerkship Research Elective**- Danielle Gordon, Medical Student, Oct 20-Nov 4, 2008

**Supervisor. Dermatology Elective**- Danielle Gordon, third year Medical Student Schulich School of Medicine and Dentistry, Feb 25-Feb 29, 2008

**Supervisor- University of Toronto Family Medicine Residents**- I accept Family Medicine Residents into my private clinic for weekly rotations throughout the year, 2006- Ongoing

**Clerkship teaching**. University of Toronto, Dermatology Rotation through Sunnybrook and Woman's College Hospital Dermatology clinics, Woman's College site, 1999-2004.

#### **2. Postgraduate**

**Fellow- Dr. Marie –Claude Houle. Teaching and Research in my weekly clinic. Working on Two papers to be published and poster for the ACDS annual meeting, San Diego, 2012**

**Occupational Medicine Rotation Dermatology Residents Year 2**- University of Toronto Year 2 Dermatology Residents rotate through the Occupational clinic at St Michaels. Weekly clinical teaching focusing on Occupational Contact Dermatitis and patch testing, 2007- ongoing

**American Contact Dermatitis Society Annual Meeting- Resident Forum**  
Year 2 Dermatology Residents are encouraged to present at the annual

## **CURRICULUM VITAE: SANDY SKOTNICKI**

American Contact Dermatitis Society meeting. Projects and cases are reviewed  
In addition to review of presentation 2007-ongoing

Supervisor: Farheen Mussani. Dermatology Resident. Presented at American contact dermatitis society meetings in 2012, 2014, 2015

**Supervisor:** Viba Malaiyand PG2 Dermatology Resident- Airborne Allergic Contact Dermatitis to Tylosin. Presented at ACDS meeting, San Diego, March 2012 and Canadian Dermatology Association Contact Dermatitis Symposium, Ottawa, July 2012.

**Supervisor:** Aiza Ejaz PG2 Dermatology Resident Three Cases of ACD in the Food Manufacturing industry. Presented at ACDS meeting, San Diego, March 2012 and Canadian Dermatology Association Contact Dermatitis Symposium, Ottawa, July 2012.

**Supervisor:** Brandon Howell. Howell, BG, **Skotnicki-Grant, S.** Two Concurrent Cases of Occupational Allergic Contact Dermatitis to Phenol Formaldehyde Resin Adhesives in the wood manufacturing Industry: The Use of Open Patch Testing to Raw Material. Presented,- ACDS meeting, San Antonio, February, 2008

**Supervisor:** Yvette Miller- Monthrope. Miller-Monthrope, Y, **Skotnicki-Grant S.** Epoxy Dermatitis in the Workplace: What Standard Patch tests may be missing. Dermatitis, presented - ACDS meeting San Antonio, Feb, 2008

**Supervisor:** Jeff Donovan, Skin Reaction Following use of N95 masks. Presented - ACDS meeting, San Francisco, Feb 2007. Received **Alexander Fisher Resident Gold Award** for Oral presentation

### **Dermatology Resident Electives**

**Supervisor:** Shannon Humphries, Dermatology Resident year 4, University of British Columbia, 2 week elective, August, 2007. Clinical teaching in private clinic St Michaels Occupational clinic.
